

To use this ring sizer, please follow these steps:

1. Print this page 100%
2. Check the printer has scaled the image correctly by measuring our logo below
3. If our Logo is 2cm- proceed to cut the ring sizer out
4. If our logo is smaller than 2cm, re-print on 100%
5. Cut a slot in the sizer on the dotted line
6. Pass the paper through the slot
7. Pull on the tab until the ring sizer fits your finger
8. Read your measurement

On this example, the measurement is P:
